

Intertek

ETL Verified Certificate of Conformance Number: 104373415CRT-001f

On the basis of the tests undertaken, the sample(s) of the below product have been found to comply with the electrical transmission requirements of the referenced specification(s) at the time the tests were carried out.

Rendered to:

True Cable Holdings LLC

Contact: Mr. John Ibbetson

Product tested: Category 6A RJ-45 shielded modular jack

Part number(s): 6ASTL90CMPT
6ASTL90CMPT – Shielded Toolless Keystone Jack
The qualified mounting system for alien crosstalk are
48-port 1RU patch panel part number STP48P1U_SLV
9-port 2-gang faceplate part number 9PDGFP_WHT

Compliant to: ANSI/TIA-568.2-E
IEC 60512-99-002 standard for support of IEEE 802.3 Type 4 remote powering applications (PoE++) over 4-pair. Includes testing of full test schedule for unmating under electrical load at test current of 2 A per conductor.

Authorized marking: ETL VERIFIED TO ANSI/TIA-568.2-E CATEGORY 6A
ETL VERIFIED TO IEC 60512-99-002

Continuing compliance to this specification is monitored through production testing, ongoing inspections by Intertek at the production facility and random sample testing.

Date Issued: 27-Jun-2020

Date Revised: 21-Jul-2025

Approved By:

Antoine Pelletier, Project Engineer

This verification supersedes all previous verifications with the noted Verification/Report number(s) dated before this verification notice.

NOTE: This verification is part of the full test report(s) and should be read in conjunction with it.

This Verification is for the exclusive use of Intertek's Client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Verification. Only the Client is authorized to copy or distribute this Verification. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek. The observations and test results referenced from this Verification are relevant only to the sample tested. This Verification by itself does not imply that the material, product, or service is or has ever been under an Intertek certification program.
